

FPSAC 23 • SFCA 23

formal power series and algebraic combinatorics

a conference on combinatorics
and its applications to pure and applied mathematics

august 2 - 6, 2010
san francisco state university
san francisco, usa

invited speakers:

Bill Chen (Nankai University, China)
Persi Diaconis (Stanford University, USA)
Alicia Dickenstein (Universidad de Buenos Aires, Argentina)
Joseph Gubeladze (San Francisco State University, USA)
Florent Hivert (Université de Rouen, France)
Tara Holm (Cornell University, USA)
Jon McCammond (University of California, Santa Barbara, USA)
Ileana Streinu (Smith College, USA)
Peter Winkler (Dartmouth College, USA)
